CLASS

JAL Business Class

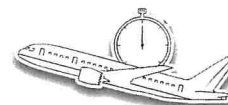

Luxuriate in the privacy of your own beautifully appointed compartment.

- 1. Seat** Our fully-flat seats have been created to ensure a private space where you can eat, sleep, work and relax.

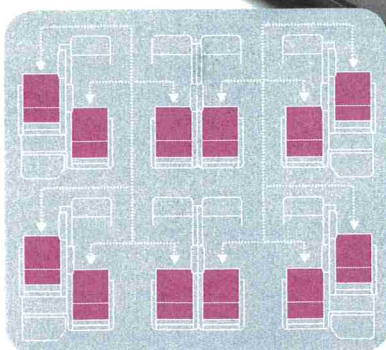

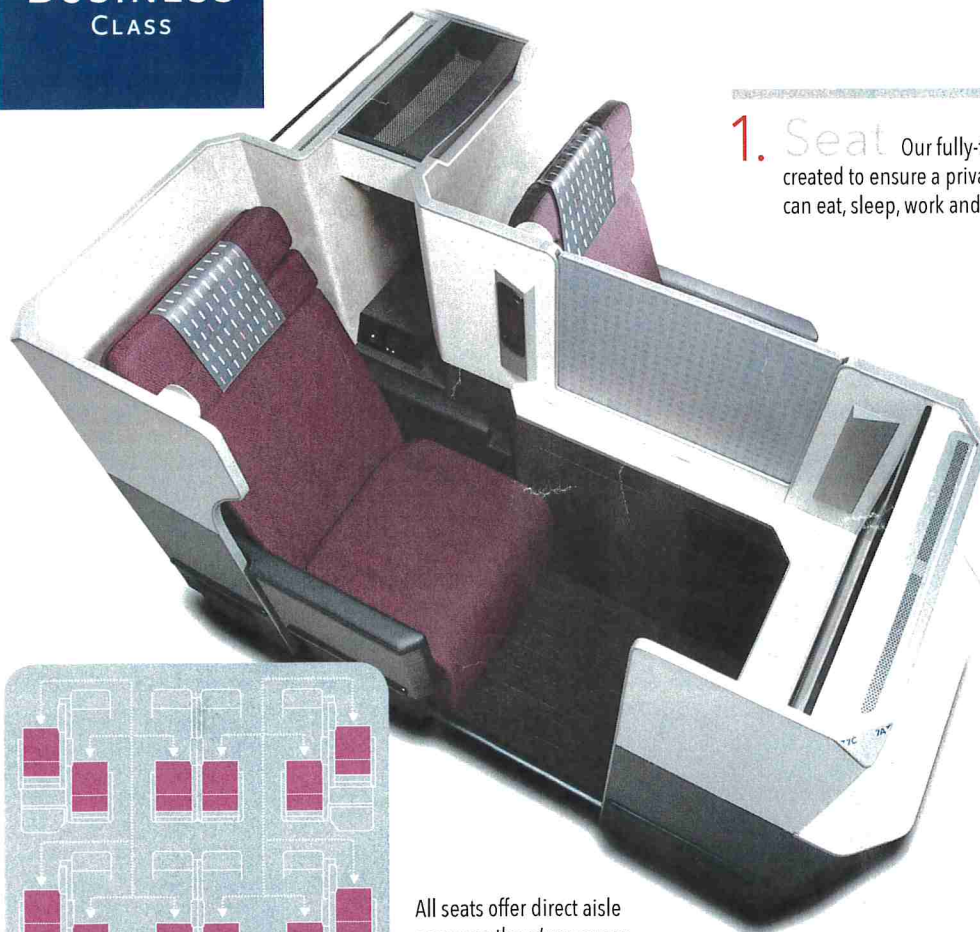

- 2. Menu** Use the controller anytime to order your choice of food from our extensive menu with flavors and portion sizes designed to please, and created by our team of top-rated chefs.

- 3. On-Time** Your time is important, and business travel often comes with a packed schedule.

- 4. Lounge** Being able to use your transit time productively and most importantly recharging after a long flight is the smarter way to travel on business to Asia.

All seats offer direct aisle access so there's no worry about being disturbed. All seats face forward.
